Catalog year: 2026-2027

Unmet conditions for this set of requirements:

A minimum of 120 credits are required for this degree. However, you may be required to complete more than this minimum depending on such variables as major requirements, a minor, course work transferred from other institutions, and multiple major changes over time. All these factors combine to determine exact graduation requirements. You have 15 of the minimum 120 credits, although you must also fulfill each rule outlined in this advising worksheet.

30-Credit Residency Requirement

Still needed:

To meet graduation requirements, students must take a minimum of 30 credits at Georgia State. Courses that count in this area can be 1000, 2000, 3000, 4000 level and above. You have taken 0, you still need 30 more.

Minimum 2.0 GPA Requirement Not Met

Still needed:

Your GPA Is Below the Minimum 2.0 Required for Graduation. Maximum of 12 hours of D grade allowed for graduation.
