**HOPE GPA:**

HOPE GPA is the average of ALL core classes – calculated by the Georgia Student Finance Commission (GSFC) using your English, Math, Science, Social Studies, and World Languages ONLY! It includes courses you passed and/or failed! There are no extra quality points for Honor's, but 0.5 extra quality points are given for AP and DE courses, up to 4.0. The HOPE scholarships can be used at in-state colleges/universities. For private colleges/universities, only a portion of the tuition is covered which is at a much lower rate than the GA public colleges/universities.
